

Martin Elvis offers his support

< (Martin in full swing LIVE at the London Trocadero)

These are the latest kind words from Martin Elvis: Finding a venue would be no problem, I could give a hell of a show in the UK and with my fan club members I could guarantee a lot of tickets sold, I can just imagine it.....c'mon lets do it. Hopefully other celebrities will be willing to come on board also, if so please contact NSCFC HQ on:
